## Frequently Asked Questions

**Q: Do you take my insurance?**

A: We would be able to check on your orthodontic benefits for you and discuss your coverage and braces pricing during the video chat. Read about [how our office works with your orthodontic insurance](#).

The most commonly used insurance carriers by our patients are Aetna, Cigna, Delta, Guardian, Horizon, and Metlife.

*Note: benefits from Medicaid, HMO, DMO, and medical plans are not accepted.*

**Q: How much do braces cost?**

A: If treatment is recommended, then we can talk about getting braces and the investment involved. For any portion of treatment your insurance doesn't cover, ~~there is zero interest, in-house financing available.~~ Read an overview of the [cost of braces at our office](#).

**Q: How much does the first visit cost?**

A: You are not charged for the 10-minute consultation.

**Q: How long is the first visit?**

A: Please allow 10 minutes for the first visit.

Prior to the visit, please complete the following:

- Registration and health history forms
- COVID-19 screening form
- Email x-rays to info@smilelogicortho.com

Remove this

**Q: What happens afterwards?**

A: The second visit is a records appointment.

After you ask any questions about treatment and discuss finances, you will schedule a 20 minute visit for detailed records. The records are studied by Dr. Viechnicki to plan placement of braces, clear aligners, expanders, and retainers. The fee for the records visit is \$290 and includes a Panoramic X-ray, Cephalometric X-ray, photographs, and digital impressions. Payment is due at the time you book the records appointment.

**Q: Will I get X-rays at my first visit?**

A: Panoramic and Cephalometric X-rays are captured in-office at a separate records visit.

**Q: Is the records visit refundable?**

A: No. The records visit is not refundable.

**Q: I just want to know how long treatment will take and how much it will cost. Can you tell me the cost over the phone?**

A: You can read about our [pricing for braces](#) and how we work with your [orthodontic insurance](#). If you would like specific numbers, please book an in-office exam to talk about the length of treatment and investment involved.

Monthly installments

**Q: Is my child too young?**A: We help patients [ages 7 and up](#) to 50yrs**Q: What if there are still baby teeth?**

A: You would want to book an in-office exam before all the baby teeth fall out because orthodontic problems begin when baby teeth are still present.
